

175 ACRES UNDER CULTIVATION

SPRING OF 1908

Wholesale Trade List

OF THE

Framingham Nurseries

COMMONWEALTH OF MASSACHUSETTS

STATE BOARD OF AGRICULTURE

Official Certificate No. 31

BOSTON, Aug. 26, 1907

To whom it may concern

This is to Certify that I have this twenty-sixth day of August, 1907, completed the inspection of the nursery stock of W. B. Whittier & Co., grown at South Framingham, State of Massachusetts, and find it to be apparently free from all injurious insects and diseases which might be transferred on nursery stock from the nursery to the orchard or garden.

This certificate is good until July 1, 1908.

(Signed) H. T. FERNALD, Inspector.

W. B. WHITTIER & CO.
South Framingham, Mass.

TELEPHONE 331

HOW TO REACH OUR NURSERIES FROM BOSTON

Trains leave South Union Station (twenty-five or more trains daily) for South Framingham, thence by Saxonville electric car, one and one-half miles, to within a few minutes walk of our office.

The Boston & Worcester electric cars leave Park Square every fifteen minutes. Any Chestnut Hill or Brookline Village car will connect with South Framingham or Worcester cars, either of which pass very near our grounds.

We have put up a sign, "Framingham Nurseries," on the line of the Boston & Worcester, five minutes walk from our office, and have arranged with the company for a stopping place at that point.

Parties coming from Boston way will notify the conductor on leaving Sunnyside; coming the other way, from Worcester, the conductor should be notified soon after leaving the Junction, at corner of Eastern Avenue and Concord Street.

The running time between Boston and our nurseries is about one hour and ten minutes. The fare is twenty cents.

FRAMINGHAM NURSERIES

W. B. WHITTIER & CO.

South Framingham, Mass.

NOTICE

PLEASE READ CAREFULLY

1. This list is intended for Nurserymen, Landscape Gardeners, Florists and Dealers in Nursery Stock. Parties unknown to us, when writing for Trade Lists, should use printed stationery, or enclose business card, so that we may know they are entitled to receive the list. We do not send Wholesale Lists to gardeners on private estates.

2. The stock herein offered is strictly first-class in all respects, all nursery grown and every tree, shrub, plant and vine, has been transplanted, all shade trees twice, all evergreens three times.

3. We will supply five at the ten rate and fifty at the hundred rate; but we cannot furnish long lists of varieties, two or three of a sort, either at the hundred or ten rates.

4. We commence shipping usually about April 1st, continuing until about the 20th of May.

5. Most varieties of evergreen can be transplanted with safety in August or September.

6. We never substitute unless authorized to do so by the purchaser. In case we are sold out of the variety ordered, the customer is notified at once.

7. To avoid misunderstanding, purchasers should be careful in ordering to state the size, 1 to 2 ft., 2 1-2 to 3 ft., 3 to 4 ft., etc., just as noted in list.

8. Purchasers will please give explicit shipping directions. State in all cases whether you want your goods by freight or express. When no special mode of conveyance is mentioned, we will forward according to our best judgment, but we cannot assume any responsibility after the goods are delivered to the forwarders.

9. We pack carefully in boxes and bales, using damp moss to protect the roots, for which a charge will be made sufficient to cover cost.

10. Terms cash, except to reliable parties we are glad to allow until June 1st on Spring bills and December 1st on Fall bills. All Spring bills remaining unpaid June 1st and Fall bills December 1st will be subject to sight draft without further notice unless special arrangements are made.

11. We will not ship any stock, or accept orders from unknown parties without cash in advance, satisfactory reference or security of some sort. On receiving orders from parties who have no commercial rating, but accompanied by reference, we will at once communicate with the reference, and if satisfactory reply is received, the plants will be shipped.

12. We will not send goods by express C. O. D. unless twenty-five per cent. of the amount of order accompanies same as a guaranty.

13. All claims for deficiencies or errors of whatever nature should be made immediately upon receipt of stock, so that the same may be rectified without delay.

14. Freight or express charges will be prepaid when so directed and the amount added to the bill. We will ship stock on the day specified, if possible, but it will help us greatly to have a few days' notice before the goods are to be shipped. Early orders are always preferred.

FRAMINGHAM NURSERIES

W. B. WHITTIER & CO.

SHADE AND ORNAMENTAL TREES.

	10	100
Acer dasycarpum, Silver Maple, 6 to 8 ft	1 50	12 00
" " " " 7 to 9 ft, nice, straight trees	2 50	20 00
" " var. Weirii. Weir's Cut Leaf Maple, 6 to 8 ft	2 50	20 00
" " " " " " " " 8 to 9 ft	3 50	
" " " " " " " " 11 to 12 ft	10 00	
" platanoides, Norway Maple, 8 to 10 ft	5 00	45 00
This grade has been transplanted once. They are not heavy trees.		
" platanoides, Norway Maple, 10 to 12 ft, twice transplanted	10 00	90 00
" " var. Geneva, Blood Leaf Maple, 6 to 8 ft, twice trans.	5 00	45 00
" " " " " " " " 7 to 9 ft	7 50	60 00
" " " Schwedleri, 7 to 9	7 50	65 00
" " " " 10 to 11 ft	10 00	

All our small grades up to ten feet, of Geneva and Schwedler Maples, have been kept tied to a stake, and are straight. This we find is not generally the case, especially with Genevas. Many of them are very crooked.

Acer saccharinum, Sugar Maple, 8 to 10 ft, once transplanted, not heavy trees	4 00	35 00
Acer saccharinum, Sugar Maple, 10 to 12 ft	9 00	85 00
" " " " 12 to 14 ft, 1 1/4 to 2 inches diameter, perfectly straight specimens	15 00	
Acer saccharinum, Sugar Maple, 14 to 16 ft, 2 to 2 1/2 in. diam.	20 00	

The last two grades of Sugar Maples, twelve to fourteen feet and fourteen to 16 ft, are perfect specimens, having had plenty of room to develop, both root and top.

Acer tartaricum, 5 to 7 ft	2 00	
" " 7 to 9 ft	3 00	
" " var. ginnala, 4 to 5 ft	2 00	18 00
" " " " 5 to 7 ft, special price by letter on 250 or more	3 50	28 00

We have the finest lot of Acer tartaricum var. ginnala, that we have ever had. They are twice transplanted and have had room enough to develop. We have an over-stock of this, which we propose to move this Spring. Hence the low price per hundred and thousand.

Aesculus carnea, Dwarf Horsechestnut, 4 to 5 ft	4 00	35 00
" " " " 5 to 7 ft	6 50	

This is a beautiful smooth-fruited variety, with flesh-colored flowers, should be classed as a pavia. Our plants have been trained up to a single stem. They are straight and handsome.

Aesculus hippocastanum, 4 to 5 ft	2 50	
" " 7 to 9	5 50	
" " var. alba plena, 6 to 8 ft	6 00	

Aralia maximowiczii, Acanthopanax racinifolium, 3 to 4 ft	2 00	10 100
“ “ “ “ 10 to 11 ft., fine speci- mens \$2.00 each		
We have tested this variety on our grounds. We find it perfectly hardy, and one of the best Aralias. Should be in every collection.		
Betula alba, European White Birch, 4 to 5 ft	1 20	10 00
“ “ “ “ 5 to 6 ft	1 75	12 50
“ “ “ “ 6 to 8 ft	2 50	20 00
“ “ “ “ 8 to 10 ft	5 00	35 00
“ “ var. laciniata, Cut Leaf Birch, 8 to 9 ft	12 00	
“ lutea, Yellow Birch, 4 to 5 ft	2 50	
“ nigra, Red or Water Birch, 3 to 5 ft, bushy	2 50	20 00
“ “ “ “ “ 5 to 7 ft	4 00	35 00
“ “ “ “ “ 7 to 9 ft	5 50	
“ papyracea, Canoe Birch, 8 to 10 ft	6 50	
“ “ “ “ 10 to 12 ft	10 00	
“ “ “ “ 12 to 14 ft	15 00	
“ “ “ “ 14 to 16 ft, 2½ to 3 in. caliper, perfectly straight trunks, with fine, bushy tops	25 00	
We believe we have the finest block of birches of various varieties that can be found in any nursery in New England. It would probably be hard to find anywhere in the country better specimens, especially of papyracea in the large sizes. These trees have been transplanted two years ago. Can be taken up with a ball of earth like an Evergreen. If this is required, we will ball and burlap each tree separately at a cost of seven cents each.		
Carpinus Americana, American Hornbeam, 3 to 4 ft	2 00	
“ “ “ “ 6 to 8 ft	5 00	
“ betulus, European Hornbeam, 2 to 3 ft	1 00	
“ “ “ “ 3 to 4 ft	1 50	
Catalpa speciosa, 8 to 10 ft	1 50	12 00
“ “ 10 to 12 ft	2 50	15 00.
Celtis occidentalis, Nettle Tree, 10 to 12 ft	10 00	
“ “ “ “ 12 to 14 ft, 2½ to 3 inch caliper	20 00	
These are perfect specimens.		
Cercis canadensis, Judas Tree or Red Bud, 5 to 6 ft	5 00	40 00
We have a splendid lot of this variety, transplanted last Spring.		
Cladrastis tinctoria, Yellow Wood, 4 to 5 ft	5 00	
“ “ “ “ 8 to 9 ft, three times transplanted, \$1.75 each.		
Crataegus coccinea, 3 to 4 ft	2 50	
“ cordata, Washington Thorn, 3 to 4 ft	1 50	12 00
“ “ “ “ 4 to 5 ft	2 50	18 00

		10	100
Crataegus crus-galli, 2½ to 3 ft		1 50	12 00
“ “ 5 to 6 ft		2 50	20 00
“ 6 to 8 ft		3 50	30 00
“ oxycantha flore pleno, Double Pink, 3 to 3½ ft		4 00	
“ “ “ “ Paul's Scarlet, 3½ to 5 ft		3 00	
“ “ “ “ “ “ 5 to 7 ft		6 00	
“ “ “ “ alba, 4 to 6 ft		3 50	
“ punctata, 3½ to 5 ft		4 00	
Crataegus punctata is one of the very large fruiting varieties of Thorn, and should be used in every collection.			
Fagus ferruginea, American Beech, 2½ to 3 ft., twice trans.		3 00	25 00
“ “ “ “ 5 to 7 ft		10 00	
“ sylvatica, a few nice specimens, 8 to 12 ft, branched to the ground, \$1.50 to \$3.00 each.			
Fagus sylvatica, var. asplenifolia, 3 to 4 ft		6 50	
“ “ “ “ 5 to 6 ft, \$1.00 each			
“ “ “ purpurea, 4 to 5 ft, three times trans.		7 50	
“ “ “ Riversii, 6 to 8 ft, three times trans.		15 00	
Fraxinus alba, American White Ash, 6 to 8 ft, three times trans.		2 00	
“ “ “ “ “ 8 to 9 ft		3 50	
“ “ “ “ “ 9 to 11 ft, fine stocky trees		6 00	
Magnolias, in variety, 4 to 5 ft, well budded, \$2.00 each; varieties, Alexandriana, soulangeana and speciosa.			
Magnolia halleana, 2 to 3 ft, with buds, \$1.50 to \$2.00 each.			
Our Magnolias are all nice specimen plants. Each tree will be shipped with ball of earth.			
Populus alba, 8 to 10 ft		4 00	
“ “ var. bolleana 8 to 9 ft		4 00	
“ “ “ “ 10 to 12 ft		7 50	
“ “ “ “ 12 to 16 ft, low-branched, perfect specimens		15 00	
“ “ “ fastigiata, Lombardy Poplar, 7 to 9 ft		2 50	20 00
“ deltoides or caroliniana, Carolina Poplar, 10 to 11 ft		3 50	30 00
Prunus pissardi, Purple-leaved Plum, 3½ to 4 ft, transplanted, fine stocky plants		1 50	12 00
Prunus pissardi, Purple-leaved Plum, 5 to 6 ft		2 50	
Quercus alba, White Oak, 5 to 6 ft		7 50	
“ bicolor, Swamp White Oak, 5 to 6 ft		4 50	
“ “ “ “ “ 7 to 8 ft		6 00	
“ palustris, Pin Oak, 6 to 8 ft		4 50	
“ rubra, Red Oak, 7 to 9		7 50	
“ “ “ “ “ 9 to 10 ft		10 00	
Salix alba, White Willow, 7 to 9		1 50	12 00
“ “ var. Thurlow's Weeping Willow, 8 to 10 ft		3 50	30 00

	10	100
Syringa Japonica, Japanese Tree Lilac, 3 to 4 ft	1 00	8 00
“ “ “ “ “ 4 to 5 ft	1 50	12 00
“ “ “ “ “ 6 to 8 ft	2 50	20 00

Above 4 to 5 ft and six to 8 ft. Syringa Japonica are low-branched and somewhat bushy. Could be used to advantage in mixed planting.

Syringa Japonica, Japanese Tree Lilac, 5 to 6 ft, perfectly straight, handsome trees	2 50	20 00
Syringa Japonica, Japanese Tree Lilac, 6 to 8 ft, fine specimens	4 00	35 00
“ Pekinensis, Chinese Lilac, 2½ to 3 ft	2 00	
Tilia Americana, American Linden, 8 to 10 ft	6 00	
“ “ “ “ 10 to 12 ft, fine specimen trees	10 00	
Ulmus Americana, American Elm, 8 to 10 ft	4 50	40 00
“ fulva, Slippery Elm, 10 to 12 ft	10 00	
“ “ “ “ 12 to 14 ft	15 00	

FLOWERING SHRUBS.

Amelanchier canadensis, 2 to 3 ft	1 50	12 00
“ “ 3 to 3½ ft	2 50	
Aralia pentaphylla, 2½ to 3 ft	1 00	7 00
“ “ 3 to 3½ ft	1 25	10 00
“ spinosa, 2 to 3 ft	1 50	

All of our Aralias have been twice transplanted.

Azalea calendulacea, 18 to 24 inches	2 50	
“ mollis, 10 to 15 inches, well branched and full of buds	2 50	18 00
“ “ 18 to 24 inches, fine heavy plants, well budded	4 00	35 00

Our block of Azalea mollis made a splendid show during the flowering season last summer, and attracted the attention of hundreds of people.

Berberis sieboldii, 2 to 3 ft	1 50	
Berberis thunbergii, Japanese Barberry, 12 to 15 inches		6 00
“ “ “ “ 15 to 20 inches		7 00
“ “ “ “ 20 to 24 inches	1 00	8 00
“ “ “ “ 2 to 2½ ft XX	2 00	15 00
“ “ “ “ 2½ to 3 ft, broad, bushy plants	3 00	25 00

We have a large and fine stock of Berberis thunbergii, all of which are nice, bushy plants, even down to the smallest grade offered. Our 2½ to 3 ft stock are almost as broad as they are high, fine specimen plants.

Berberis vulgaris, Common Barberry, 1½ to 2 ft		6 00
“ “ “ “ 2 to 2½ ft	1 00	7 00
“ “ “ “ 3 to 3½ ft, strong, bushy plants	1 25	10 00
“ “ var. purpurea, Purple leaved Barberry, 2 to 2½ ft		6 00
“ “ “ “ “ “ 2½ to 3 ft X	1 00	8 00
Calycanthus, Sweet Shrub, 2 to 3 ft	1 00	8 00

	10	100
Caragana arborescens, 2 to 3 ft	1 00	
“ “ 3 to 3½ ft	1 25	
Carpinus betulus, European Hornbeam, 2 to 3 ft	1 00	
“ “ “ “ 3 to 4 ft	1 50	
Cephalanthus occidentalis, Button Bush, 2 ft	1 00	
Chionanthus virginica, White Fringe, 2½ to 3 ft	1 25	11 00
“ “ “ “ 3 to 3½ ft	1 50	13 00
Clethra alnifolia, 1½ to 2 ft	80	7 00
“ “ 2 to 3 ft. strong, bushy plants	1 25	
Colutea arborescens Bladder Senna, 3 to 3½ ft	1 25	10 00
Cornus florida, White Flowering Dogwood, 3 to 4 ft	1 25	10 00
“ “ “ “ 4 to 5	2 50	20 00
“ paniculata, 3 to 4 ft, twice transplanted, bushy plants	1 00	8 00
“ “ 4 to 5 ft	1 75	12 50
“ “ 5 to 7 ft. large, bushy plants	2 50	20 00
“ sanguinea, English Dogwood 2 to 2½ ft		6 00
“ siberica, 2 to 3 ft.		6 00
“ “ 3 to 4 ft	1 00	8 00
“ stolonifera, 2 to 3 ft		6 00
“ “ 3 to 4 ft	1 00	8 00
“ “ var. baleyi, 3 to 4 ft	1 00	8 00
“ “ “ lutea Yellow Bark Dogwood, 2 to 2½ ft		8 00
“ “ “ “ 2½ to 3 ft, fine bushy plants	1 25	10 00
Cotoneaster acuminata, 3 to 4 ft.	1 50	
Cydonia Japonica, 1½ to 2 ft	1 00	
Desmodium penduliflorum, 3 yrs, strong plants	1 25	
Deutzia crenata, 2½ to 3 ft		7 00
“ “ 3 to 4 ft	1 25	10 00
“ gracilis, 1½ to 2 ft	1 00	8 00
“ lemoinei, 2 to 3 ft	1 25	10 00
“ Pride of Rochester, 3 to 4 ft	1 25	10 00
Eleagnus angustifolia, 5 to 6 ft	1 25	
“ longipes, 1½ to 2 ft	1 00	
“ “ 2½ to 3 ft	2 00	
Euonymus alatus, 1½ to 2 ft	4 00	
“ atropurpureus, 3 to 4 ft., twice transplanted	2 50	
“ “ 4 to 5 ft	4 00	
“ Bungeanus, 5 to 7 ft	2 50	
“ Europeanus, 3 to 4 ft	1 00	8 00
“ “ 4 to 5 ft	1 25	10 00
“ “ 5 to 6 ft	1 75	
“ obovatus, 12 to 15 inches, strong, stocky plants	1 25	
Exochorda grandiflora, 2 to 3 ft	1 50	
“ “ 4 to 5 ft, fine, bushy specimens	6 00	

	10	100
Forsythia fortunei, 2 to 3 ft		7 00
“ “ 3 to 3½ ft	1 00	8 00
“ “ 3½ to 4½ ft., twice transplanted	1 50	12 00
We have a fine lot of Forsythia fortunei, most of it transplanted last Spring.		
Forsythia intermedia, 1½ to 2 ft		5 00
“ “ 3 to 3½ ft	1 25	
“ suspensa, 1½ to 2 ft. transplanted		6 00
“ “ 3 to 4 ft., stocky plants	1 50	
“ viridissima, 3 to 3½ ft	1 00	
Hamamelis virginica, Witch Hazel, 2 to 3 ft		7 00
“ “ “ “ 3 to 4 ft.	1 50	12 00
“ “ “ “ 4 to 5 ft	2 50	20 00

We have a grand block of Hamamelis virginica, all of it twice transplanted, and good stocky plants

HIBISCUS SYRIACUS, ALTHEA

Bicolor hybrida, double white, carmine inside, 3 to 4 ft	1 50	12 00
Boule de Feu, double red, 2½ to 3½ ft	1 25	10 00
Duchess de Brabant, double pink, dark center, 3 to 4 ft	1 50	12 00
Jean d'Arc, double white, 2½ to 3 ft	1 50	
Pulcherrima, double white, with rose center, 3 to 4 ft	1 50	
Totus albus, single, pure white, 2½ to 3 ft.	1 50	

All of our Altheas were transplanted last Spring. They are well rooted, and good stocky plants.

Hippophae rhamnoides, 15 to 20 inches, transplanted		7 00
Hydrangea paniculata, 2 to 3 ft	1 00	8 00
“ “ 3 to 4 ft	1 25	10 00
“ “ 4 to 5 ft	1 50	
“ “ grandiflora, 2 to 2½ ft		7 00
“ “ “ 2 1 2 to 3 ft	1 00	8 00
“ “ “ 3 to 3 1 2 ft	1 25	10 00
“ radiata, 1 1-2 to 2 ft	1 00	
“ “ 2 1-2 to 3 ft	1 25	
“ vestita, 1 1-2 to 2 ft	1 00	
Hypericum aureum, 12 to 15 inches, transplanted		5 00
“ “ 18 to 24 inches, transplanted	1 00	8 00
Ilex verticillata, Black Alder, 3 to 4 ft	1 75	15 00
“ “ “ “ 4 to 5 ft	2 50	20 00

Our Ilex verticillata have been twice transplanted. They are good stocky plants. and almost all of them are of the fruit-bearing variety.

Kerria Japonica, 1 1-2 to 2 ft	1 00	8 00
“ “ fl. pl., 2 to 3 ft	1 00	8 00
“ “ variegata, 10 to 15 inches, bushy	1 00	8 00

	10	100
Ligustrum ibota, 1½ to 2 ft, stocky		5 00
“ “ 2 to 3 ft,	1 00	8 00
<p>We have several thousand of this hardy Privet, all of them good stocky, transplanted stock. They are very bushy and have fine roots, but owing to the dry weather of last season have not made the usual growth.</p>		
Ligustrum media, 2 to 3 ft, bushy plants	1 00	8 00
“ ovalifolium, California Privet, 2 to 3 ft		5 00
“ regelianum, 2 to 2½ ft	1 25	10 00
Lindera benzoin, Spice Bush, 1½ to 2 ft	1 00	8 00
Lonicera tartarica, Bush Honeysuckle, 3 ft	1 50	10 00
“ “ alba, 2½ to 3 ft		7 00
“ “ var morrowii, 1½ to 2 ft, transplanted		6 00
“ “ “ “ 2½ to 3 ft	1 00	7 00
Myrica cerifera, 12 to 15 in.		7 00
“ “ 1½ to 2 ft	1 25	10 00
Philadelphus aurea, Golden Leaf Syringa, 15 to 20 in.	1 25	10 00
“ coronarius, 2½ to 3 ft	1 00	8 00
“ grandiflorus 2 to 3 ft	1 00	
“ nanus, Dwarf Philadelphus, (broad-leaved variety, bushy plants, 1½ to 2 ft	1 00	7 00
Potentilla, fruticosa, 2 to 2½ ft	1 00	
Prunus sinensis, Flowering Almond, 3 ft	1 75	
“ tomentosum, 20 to 30 in.	1 00	
Pyrus arbutifolia, 1½ to 2 ft		7 00
“ “ 2½ to 3 ft.	1 20	
“ nigra, Chokeberry, 2½ to 3 ft		7 00
“ “ “ “ 3 to 3½ ft.	1 00	8 00
Rhamnus catharticus, Common Buckthorn, 3 to 4 ft.		8 00
“ “ “ “ 4 to 5 ft.	1 00	9 00
“ “ “ “ 5 to 7 ft	1 25	10 00
Rhodotypos kerrioides, 2 to 3 ft		7 00
Rhus copallina, 3 to 4 ft	2 50	20 00
“ glabra, Smooth Sumach 2½ to 3 ft		7 00
“ “ “ “ 3 to 4 ft	1 25	
“ typhina, Stag Horn Sumach, 3 ft	1 00	
“ “ “ “ “ 5 to 6 ft	2 00	
“ “ laciniata, Cut Leaf Sumach, 2½ to 3 ft	1 25	
Rosa blanda 1½ to 2 ft	1 00	8 00
“ lucida 15 to 20 in	1 00	7 00
“ M. Plantier, 2 to 3 ft., very strong	1 25	
“ nitida, 15 to 20 in	1 00	8 00
“ rubiginosa, Sweetbriar, 3 to 4 ft	1 25	10 00

	10	100
Rosa rubrifolia, Red-leaved Rose, 2 to 3 ft	1 50	12 00
“ , rugosa, 2 to 2½ ft,	1 25	10 00
“ “ 2½ to 3 ft	2 00	18 00
“ “ alba, 2 to 2½ ft	1 75	15 00
“ setigera, 2 to 3 ft		7 00
“ “ 3 to 4 ft	1 25	10 00
“ “ 4 to 5 ft	1 50	12 00
Rubus laciniata, Cut Leaf Trailing Blackberry, 2 years old	1 00	
“ “ “ “ “ “ 3 years old	1 25	10 00

Our Rubus Laciniata have been grown from rooted cuttings and have been transplanted.

Sambucus aurea, Golden Elder, 2½ to 3 ft	1 25	10 00
Shepherdia, Buffalo Berry, 3 to 4 ft	3 00	
“ “ “ 4 to 5 ft	5 00	
Spiraea arguta, 1½ to 2 ft		7 00
“ “ 2 to 3 ft, broad, bushy plants	1 25	10 00
“ callosa alba, 15 to 20 in.		7 00
“ “ “ 2 to 2½ ft	1 00	8 00
“ “ bumalda, 1½ to 2 ft		7 00
“ “ “ 2 to 2½ ft	1 00	8 00
Spirae callosa superba, 2 to 2½ ft	1 25	10 00
“ “ var. Anthony Waterer, 1½ to 2 ft. bushy	1 25	10 00
“ opulifolia surea, Golden Leaf spiraea, 3 to 4 ft	1 25	10 00

Vaccinium corymbosum, High Bush Blueberry, 1½ to 2 ft, nice clumps,	5 00	
Viburnum cassinoides, 1½ to 2 ft	1 50	12 00
“ dentatum, 2 to 3 ft	1 00	8 00
“ “ 3 to 4	1 25	10 00
“ “ 4 to 5 ft	1 50	12 00
“ “ 5 to 6 ft, extra selected, strong bushy plants	3 50	30 00

We have a very large stock of *Viburnum dentatum*, especially in the last three grades, all transplanted, and fine heavy bushes. We can do several thousand of the three to four and four to five ft. grade and several hundred of the five to six ft. stock. We have cut the price on this stock to about the limit, but to large planters who could use five hundred to a thousand or more, we will make special prices by letter.

Viburnum lantana, 3 to 4 ft. bushy plants	2 25	20 00
“ lentago, 2 to 3 ft	1 50	
“ “ 3 to 4 ft	2 00	18 00

“ “ “ “ 4 to 5 ft	2 00	18 00
“ “ “ “ 5 to 6 ft	3 50	30 00

We have a large block of *Viburnum opulus* in all the various sizes, with the exception of the 2 to 3 ft. Special rates on five hundred or more of any sizes.

Viburnum opulus sterilis, Common Snowball, 2 to 3 ft	1 25	
“ “ var. Sargentii, 3 to 4 ft	3 50	

Viburnum Sargentii is a native of northern China and eastern Siberia. The foliage somewhat resembles the North American species, but the flowers are more showy. We have had a few plants of this in stock for a number of years, but never paid much attention to it until a year or so ago, when the plants came into bloom. We noticed that it was superior in many ways to the ordinary *Viburnum opulus*.

Viburnum plicatum, Japanese Snowball, 2½ to 3 ft	2 50	20 00
“ “ “ “ 3 to 3½ ft	3 50	30 00
“ sieboldianum, 2½ to 3 ft	2 50

CLIMBING AND TRAILING ROSES

Rosa Baltimore Belle, 2 yrs.	1 25	
“ Crimson Rambler, 2 yrs, medium 2 to 3 ft	1 25	10 00
“ “ “ 3 yrs., 3 to 3½ ft	1 75	15 00
“ “ “ very strong plants, 4 to 5 ft canes,	3 50	25 00

For convenience in handling these large Ramblers they will be cut back to about thirty inches, unless especially noted to the contrary on the order.

Rosa Dorothy Perkins, strong, 2 yrs, transplanted	1 25	10 00
“ Lady Gay, 2 yrs., transplanted, fine strong plants	2 50	20 00
“ Queen of Prairie, 2 yrs.	1 25	
“ “ “ 3 yrs, extra strong	1 50	12 00
“ repens, 2 yrs., transplanted	1 00	
“ “ 3 yrs., strong	1 25	
“ wichuriana, 2 yrs.	1 00	8 00
“ “ 3 yrs.	1 50	12 00

The above named Roses were all transplanted last spring, with exception of the largest grade of Crimson Ramblers. They were transplanted in the spring of 1906.

HYBRID PERPETUAL ROSES

	10	100
We can supply the following varieties in strong vigorous plants 2 yrs. old.	2 00	15 00
Abel Carrier, velvety crimson, large, fragrant.		
Alfred Colomb, carmine, large and full		
American Beauty, deep rose, very large		
Anna de Diesbach, clear bright rose, large flower, fragrant		
Baroness Rothschild, fine bright pink, large		
Capt. Christy, delicate flesh pink, dark centre		
Charles Lefebver, bright velvety scarlet, full, fine form		
General Jacqueminot, bright crimson		
John Hopper, bright rose, carmine centre, large flowers		
Mabel Morrison, white, with blush tinge, a fine rose		
Mad. Gabriel Luizet, silvery pink, a good variety		
Margaret Dickson, white, of fine form, one of the strongest and best of the white roses		
Mrs. John Laing, soft pink, very large, exceedingly fragrant, one of the best of the pink roses		
Paul Neyron, deep rose, large, strong grower		
Prince Camille de Rohan, dark velvety crimson, shaded red, fragrant		
Ulrich Brunner, large, cherry red, vigorous grower		
Victor Verdier, rosy carmine.		

In offering the above list of Roses, we have cut our list to a few varieties, and have been careful to offer only what we have in stock, and such varieties as we believe will be satisfactory after planting. Of course there are other good varieties of Roses, but we have found it very disappointing in a number of cases to send to leading nurserymen who offer a long list of Roses, and find perhaps that we can only get a dozen varieties out of the whole list. For that reason we have offered what we know we have.

VINES AND CLIMBERS

	10	100
Actinidia arguta, 2 yrs.	1 25	10 00
“ “ 3 yrs.	2 50	20 00
Actinidia arguta was formerly sold, and we believe that now thousands of plants are sold every year under the name of Actinidia polygama. We have grown both varieties; polygama is not hardy enough for this climate.		
Ampelopsis engelmanni, 2 yrs.	1 00	8 00
“ “ 3 yrs.	1 25

“ “ 2½ to 3 ft selected specimens. \$1 00 each	9 00

We have quite a large stock of Thuyas in various varieties They have all been transplanted two and three years ago. We have also given them abundance of room in the row, so that instead of growing up tall and spindling, as is often the case, they have developed into fine bushy plants.

Tsuga canadensis, Hemlock, 1½ to 2 ft	4 00 35 00
“ “ “ 2 to 2½ ft	5 00 40 00
“ “ “ 2½ to 3 ft	7 50

Our Hemlocks were all transplanted in the Spring of 1906. They have had plenty of room to make good stocky plants, and can be taken up with ball of earth if customer so directs.

All of the above Evergreens can be taken up with a small ball of earth and burlapped. Where this is done, there will be a charge of five dollars per hundred extra. In lots of less than twenty-five the balling and burlapping will be seven cents each. Customers are requested in placing their orders to mention whether this is to be done or not.

RHODODENDRONS

RHODODENDRON HYBRIDS

10 100

We have a good assortment, that is, ten or twelve of the real hardy varieties of Rhododendrons, and will offer as follows:

20 to 24 in \$1 00 each	9 00
24 to 30 in \$1 50 each	13 50

We find that not more than twelve or fifteen varieties of Rhododendrons are hardy with us. We have selected Album elegans, Caractacus, Charles Dickens, Delicatissimum Everestianum, General Grant, Parson's Gloriosa, Purpureum elegans, Roseum grandiflorum, and Roseum elegans.

Rhododendron maximum, 18 to 24 inches, \$1.25 each	10 00
“ “ 2 to 3 ft, \$1 50 each	12 50
Larger plants from \$1 75 to \$3 00 each.	

PAEONIES—SINGLE VARIETIES.

Apollo, purplish rose	1 75
Diana, rose pink	1 75
Emily, very large, bright pink	2 50
Hermes, pink	2 00
Millais, very large, maroon	4 00
Oniverie, crimson, XX	4 00
Unnamed varieties, mixed, mostly single	1 50 12 00

Our mixed Paeonies are plants grown here from seed. They are four years old, and bloomed beautifully last summer. Two thirds of them are single, and fully equal to the very best named varieties.

PAEONIES—DOUBLE VARIETIES

Agida, very fine, dark red	2 00
Albiflora, rose color	1 25
Anemonaeflora, pink	1 25
Beaute francais, pink	1 50
Clara Barton, white, one of the best	4 00
Clarisse, very light pink, flowers of enormous size	3 00
Commodore Dewey, dark red	3 00
Comte de Cussy, light pink	2 00
Denis Hayle, very large, deep pink	1 50
Faust, very fine, light pink	2 50 20 00
Festiva, white	2 00
Festiva, maxima	3 50 30 00
Gen. Grant, very large, red	3 00
Grandiflora, rubra, very large, red	2 00

	10	100
Herecartiana, light pink	1 50	
Humei, delicate pink	2 00	
Isabella Karlitzy, glowing purplish rose	2 50	
James Rothschild, light pink, very fine	2 00	
L'illustration, pink	1 50	
Lizzie, dark red	2 00	
Louis van Houttei, very dark red, bordering on purple	1 50	
Madam Augusta Peltre, light rose pink, almost white, stamens carmine	7 50	

This is one of the most beautiful of all the varieties we have.

Marie Lemoinei, very large, pink, almost white	3 50	
Marquise de Lory, pure white, base of petals primrose, a beautiful variety	5 00	
Marquise d'Ivry, white, very large, one of the best	5 00	
Mars, dark red	2 00	
M. Rousselin, rosy pink, centre salmon	2 00	
Mrs. Hovey, white	2 50	
Officinalis rosea, rose color	2 00	
Officinalis rubra, early, dark red	1 20	10 00
Osgood's Seedling, deep rose	1 50	
Pottsii, pale pink	2 50	
Prolifera tricolor, pink	1 50	
Queen Victoria, white	2 00	
Richardson's Rubra Superba, XX, dark red	4 00	
Rosa superbissima, rose, large	1 50	
Rubens, dark red, semi-double	1 50	
Rubra Triumphans dark crimson	2 00	
Tenufolia fl. pl., beautiful early crimson, fringed foliage	2 50	
Zoe Calot, delicate rose, a beautiful shade	2 00	

We will sell one hundred or more Paeonies, ten plants of each variety, customers selection, for \$15 00. Special price on five hundred or one thousand.

While our Paeonies are not large clumps, they are all good, strong plants, having been divided in the Fall of 1906. Nothing will be sold that has been divided since that time, with the exception perhaps, of a few large clumps of Festiva maxima. The plants that we will send out will have from two to five eyes on each, and if planted early in the season will, under favorable circumstances bloom the first year. It must be understood, however, that Paeonies never reach their best until two or three years after planting.

While we have no large quantity of any one kind, we have over one hundred and twenty-five varieties, and taking them all in all, we have about fifteen thousand plants. As we do not make any special effort to put this stock on the market, except in our regular wholesale

way, we have made the price on many of the varieties offered herein about half, and in some cases considerably less than half of what most of the Paeony growers are asking for their plants. Our plants are stronger and better than the average.

PHLOX

While perhaps we do not have the largest collection of Phlox, we think we have one of the most satisfactory collections that can be found. In our twenty odd varieties, we get about all the colors, a succession of bloom from early till late season and most of the plants are good, strong growers. Price, (except as noted) \$1.00 for ten, \$7 00 per hundred. We will furnish one thousand, our selection, for \$65 00. Every plant included in the lot would be a plant that under ordinary circumstances would throw up three or four good, strong shoots, and flower the first season. We do not send out small divided plants in Phlox.

ASSORTED VARIETIES, AS FOLLOWS:—

- Amazon, pure white, large flower, one of the best.
- Candeur, white plant of dwarf habit one of the fine, low growing varieties.
- Charlotte Saisson, white, crimson centre.
- Coquelicot, orange scarlet, \$1.25 for ten.
- Eclaireur, purplish crimson, splashed with silvery rose.
- Embarrassment, orange scarlet.
- Eugene Verdier, lilac purple.
- James Gallaway, bright crimson, rather small flower.
- Joseph Barra, very dark, amaranth.
- Le Pole du Nord, white, crimson centre.
- Le Soleil, clear pink, bright eye, a fine variety.
- Lothair, clear salmon, dark eye.
- Mad. Meuret, brilliant red, carmine centre.
- Mad. Pape Carpenter, white, a good strong grower.
- Mad. P. Langier, bright red, a very showy variety.
- Madsen, outside petals white, inside deep pink.
- Mrs. Arnold Turner, white, with dark centre, one of the very largest flowers, plant of rather dwarf habit. \$1.25 for ten.
- Ornament, silvery pink, one of the most showy.
- Richard Wallace, pure white, dark rose centre.
- R. Struthers, silvery pink, crimson eye.

In the foregoing pages, where we have offered stock in lots of ten only, it indicates that we have only a limited stock of such varieties. We would say, however, that in many cases where stock is offered by the hundred we can furnish it by the thousand, and while we have not made any thousand rates in our list, we will be glad at any time to make special price by letter on two hundred and fifty or more plants of a kind, to be shipped at one time. We will not make a special thousand rate and then ship the stuff in small lots, perhaps filling twenty five or thirty orders out of a thousand, and bill at our special thousand rate. This we have been expected to do in a number of cases.
